WE ARE A PMI ATP
(ACCREDITED
TRAINING PROVIDER)

ALL FACILITATORS
ARE CERTIFIED PMI
CAPM AND PMP
INSTRUCTORS

Why Train with an Authorized Partner?

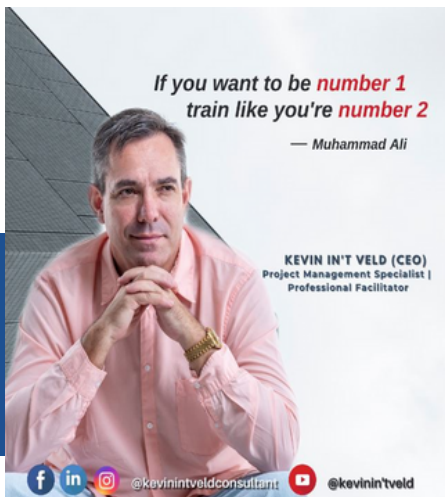

To earn the PMI Authorized Training Partner designation, a provider must meet rigorous standards for quality and effectiveness.

The new PMI Authorized Training Partner Program is designed to help you find high-quality training. Training with an Authorized Partner will ensure you are trained:

By an organization, you can trust
With high-quality PMI-developed course content
By PMI-approved and PMI-vetted instructors.

This is especially important when preparing for the CAPM® exam. All PMI Authorized Training Partner instructors who teach CAPM exam prep course content are required to complete the PMI Authorized Training Partner Train the Trainer – CAPM Exam Prep® program and use PMI-developed training course content.

WHY THE CAPM?

CAPM certification provides a solid foundation in project management principles and practices, making it an ideal choice for individuals aspiring to enter the project management field or enhance their existing skills.

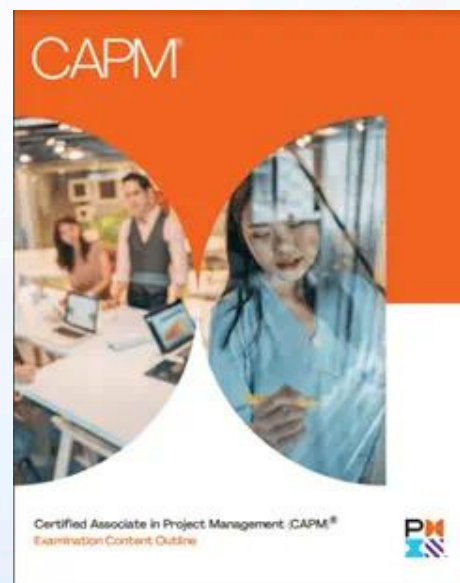

The CAPM credential is recognized globally and demonstrates a commitment to professional development in project management. Additionally, acquiring CAPM certification can open doors to various career opportunities and increase one's marketability in a competitive job market.

PMP'S Earn 35 PDU'S

Earn 35 Contact Hours

WHY CAPM?

By studying CAPM, individuals gain valuable insights into project initiation, planning, execution, monitoring, and closure, equipping them with the essential knowledge and tools to contribute effectively to project teams and organizational success.

built by KEVINLEU

Unlock the mysteries of Earned Value Management (EVM) with our groundbreaking EVM game simulation! We know that EVM can appear overwhelming, but fear not.

Our innovative simulation transforms this complex method into an engaging and interactive learning experience. By diving into our game, you will not only demystify

EVM but also master its concepts in a way that sticks. Completing our EVM simulation doesn't just mean you've played a game; it means you've gained a deep, intuitive understanding of EVM that will stay with you forever. Get ready to embrace EVM with confidence and elevate your project management skills to new heights!
