YOUR INSTRUCTOR

Kevin in't Veld (Certified PMI
CAPM Instructor)

CAPM COURSE

The **certified associate in project management** shows the world that you possess the **foundational** knowledge and skills that project teams demand. It proves that you're ready to take on a wide range of **projects** too—with ways of working that include **predictive** project management, **agile** principles and business analysis. Earning your **CAPM** equips you with all you need to start a career in **project management**.
